MPOWER+TIRE & WHEEL
PROTECTION

IF YOU'VE SPENT ANY TIME ON THE ROAD—CROSSING THE COUNTRY OR A NEIGHBORHOOD STREET—YOU KNOW THAT ROAD HAZARDS CAN APPEAR OUT OF NOWHERE:

- Nails, glass and pieces of metal
- Rocks and wooden debris
- Plastic or other hard objects
- Large objects in the road
- Potholes and craters
- Sudden tire blowouts

Sharp debris in the road can puncture tires, causing them to go flat. Hitting potholes, rocks and other objects may also cause harm. Unfortunately, it's difficult to dodge all these hazards that can cause serious damage to tires and wheels.

HOW CAN YOU AVOID THE UNWELCOMED EXPENSE AND INCONVENIENCE OF BEING STRANDED ON THE SIDE OF THE ROAD?

THE ANSWER IS EASY:

MPOWER+TIRE & WHEEL PROTECTION

Our protection covers Tires & Wheels plus the cost associated with mounting and balancing.

It includes all these services:

- Tire and wheel repair or replacement
- 24/7 toll-free customer service and dispatch
- Roadside assistance for spare tire changes
- Towing to the nearest qualified repair facility (if no inflated spare is available)
- Nationwide coverage at an authorized repair facility
- Protection above and beyond the manufacturer's warranty

This program protects you for the life of the policy against road hazards that can cause wheel or tire damage other than normal wear and tear.

Did you know that the manufacturer's warranty on tires only covers defects? And your auto club may offer a tire change or towing—but the costs to repair or replace tires still come out of your pocket.

PROGRAM BENEFITS:

- No deductible
- Protects the investment in your vehicle
- Avoid incurring unplanned expenses
- Flexibility and convenience to use any authorized repair facility nationwide
- Peace of mind that you will not be stranded on the side of the road
- Protection available for new vehicles
- No maximum limits on road hazard occurrences
- Ease of use with one toll free number for claims and roadside assistance
