

## MPOWER+VEHICLE RETURN PROTECTION

**MPOWER+VEHICLE RETURN PROTECTION offers four upgrade options to help steer your loan in today's unpredictable economy.**

The average loan today takes five to seven years to pay off. You could spend more than half that time 'upside down' on your loan — leaving you vulnerable in the event of life changing circumstances.

MPOWER+VEHICLE RETURN PROTECTION gives you the peace of mind you need in today's uncertain world. Return your vehicle and walk away from negative equity — keeping your credit rating and savings intact!
