

MPOWER+PAINTLESS DENT PROTECTION

is an innovative process that permanently removes annoying door dings and minor dents from your vehicle. Because it works from behind the area of damage, Paintless Dent Protection does not require sanding, painting or body fillers – preserving your vehicle's resale value and saving you money. This restorative process uses specialized hand tools to manipulate and flex the metal back to its original form. In most cases, you'll never know a dent even existed!

MPOWER+PAINTLESS DENT PROTECTION

We make dent claims painless!

We know you want your dents and dings gone in a hurry. So we make convenient, timely repairs our mission. One toll-free phone call to the Paintless Dent Protection Claims Center is all it takes.
